

Have you ever wanted to run the Museum for a day? Here is your opportunity! Your donation to the Henry County Historical Society & Museum will help keep our doors open another day. On average, it takes \$120 per day to maintain the Museum. This figure is derived from utilities, insurance, wages, security, collection preservation supplies, office supplies, maintenance and repairs. Even though we close to the public through January and February, all the above expenses are continued for the preservation of our collection and due to the fact that volunteers still come in for exhibit changes and cleaning.

You choose how many days - or even hours - that you want to run the Museum! For one day, donate \$120. For one week, donate \$840. For 2 hours, donate \$10. Whatever amount you donate will be very appreciated and will ensure our doors remain open. Please use the below form to remit your donation.

On behalf of the Board of Trustees of HCHS and myself, we are very thankful for your ongoing support of the oldest, continuously operating historical society in Indiana!

Most sincerely,

Kaye Ford, Co-Executive Director
